Lessons from 40 Years  
of California Water Policy

June 11, 10:15 a.m. to 11:15 a.m.

Join us for a candid conversation with the insightful, optimistic and thought-provoking Tim Quinn. Now affiliated with Stanford University, the retired executive director of the Association of California Water Agencies and former Metropolitan Water District deputy general manager will draw upon his decades-long, notable career working on California water's most vexing problems and highlight how the lessons of yesterday can inform the solutions of tomorrow.
