RE: AB 1201 (Salas): SUPPORT
Fish and wildlife: Sacramento-San Joaquin Delta: predation by nonnative species

Dear Assemblymember Salas:

On behalf of the Southern California Water Committee (SCWC), I am pleased to offer support for your bill, AB 1201. One of our organization's top priorities is finding a fix for the Sacramento-San Joaquin River Delta. In addressing this issue, it is important to address other stressors in the Delta, which AB 1201 does.

Established in 1984, SCWC is a nonprofit, nonpartisan, public education partnership dedicated to informing Southern Californians about our water needs and our state's water resources. Spanning Los Angeles, Orange, San Diego, San Bernardino, Imperial, Riverside, Ventura and Kern Counties, SCWC's members include representatives from business, government, agriculture, water agencies, labor and the general public.

Thank you for introducing AB 1201. Again, the Southern California Water Committee (SCWC) wishes to offer its support for this legislation.

Sincerely,

Richard Atwater
Executive Director
