**RE: AB 606 (Levine): SUPPORT
Water conservation**

Dear Assemblymember Levine:

On behalf of the Southern California Water Committee (SCWC), I am pleased to offer support for your bill, AB 606. One of our organization's top priorities is addressing Governor Jerry Brown's mandatory water conservation measures, which AB 606 does.

Established in 1984, SCWC is a nonprofit, nonpartisan, public education partnership dedicated to informing Southern Californians about our water needs and our state's water resources. Spanning Los Angeles, Orange, San Diego, San Bernardino, Imperial, Riverside, Ventura and Kern Counties, SCWC's members include representatives from business, government, agriculture, water agencies, labor and the general public.

Thank you for introducing AB 606. Again, the Southern California Water Committee (SCWC) wishes to offer its support for this legislation.

Sincerely,

Richard Atwater
Executive Director
